

Spindle Actuator 900N

WMS 409-n

Strong actuator suitable for roof openings for smoke and comfort ventilation.

To be used together with ±24V control units or control units with MotorLink™.

Synchronisation of up to 4 window actuators – no need for an external synchronisation module.

Genuine position feedback and 3 speed operation when using Motorlink™ Motor Controllers.

The electronics in this actuator can be programmed to suit specific requirements – i.e. pressure and traction force, stroke, speed and sound level – with the WAT 100 programming box; this is also possible following installation.

The actuator has an integrated reverse function to ensure a prolonged life span of the window gaskets.

Brackets and fastenings to be ordered separately.

Technical Specifications

| | |
|----------------------------|--------------------------|
| Part No. | 08/WMS 409-n |
| Opening Speed | 12.5 mm/s (full load) |
| Force | Max. 900N |
| Nominal Voltage | 24 VDC, max. 15% ripple |
| Current Consumption | 1.8A |
| Size | Ø36mm |
| Colour | Anodized aluminium (EV1) |
